Multimodal technologies for monitoring, communication, and control Conference

5. When submitting an application, you should choose the type of participation: with or without submitting a paper.

The remaining fields are filled in according to the instructions in the application fields.

The screenshot shows the registration page for the Antennas Design and Measurement International Conference 2025. The page header includes the ETU logo and navigation links. The main content area features a registration status indicator and a form with a dropdown menu for 'Type of participation'. The dropdown menu is open, showing two options: 'Without submitting a paper' and 'With submitting a paper'. An orange arrow points to the dropdown menu, and another orange box highlights the dropdown options.

6. \*When submitting a paper, you can download any missing files later. However, if you need to replace already uploaded files, you will need to contact the e-mail address of the St. Petersburg State Technical University "LETI" conference center [irvc.eltech@mail.ru](mailto:irvc.eltech@mail.ru)
